RED BLOOD

MEKES BEST

COMPLEXIONS

WHOLESOME COMPLEXION THE PRIDE AND
-GLORY OF HEALTHY MEN AND WOMEN

PEPTO-MANGAN MAKES RED CHEEKS

BUILDS UP TIRED BODIES—HELPS CHANGE

PALE COMPLEXIONS TO BLOOM OF
HEALTH.

The healthy, attractive woman
---and man too---with a whole-
some complexion, is the envy of
those who feel that, for them,
such attractiveness is impossible.

And yet health and attractive-
ness are much a matter of good,
red blood and unless a man or
woman is afflicted with some
deep-seated or serious ailment,
vigorous health and personal
charm are within their reach.

Pepto-Mangan is responsible
for the present health and hap-
piness of thousands who former-
ly were thin, pale, languid and
easily exhausted. Pepto-Man-
gan helped place those folks in
the full-blooded, energetic, vig-
orous class---and it probably can
do the same for you.

Pepto-Mangan contains the
elements that make rich, healthy
blood. And as a result of the
increased supply of red blood
that Pepto-Mangan creates, the
entire system attains the vigor
that belongs to every man and
woman.

Pepto-Mangan is prepared in
two forms, liquid and tablets.
They are exactly alike in medi-
cinal value.

Ask your druggist for 'Gude's'
when ordering Pepto-Mangan.
Look for the name 'Gude's' on
the package.—adv.

issue.

Walter Stafford will leave for
Texas the 15 of this month.

There are lots of people leav-
ing this place for the new fields
in Texas.

Wonder what has become of
